

# Garden waste subscriptions are changing this April

**A new permit scheme for garden waste collections starts this year.**

To receive garden waste collections from 1 April 2025, you must purchase an annual permit. This will replace your direct debit.

## What you need to do:

- Visit the council's website or scan the QR code below to make a one-off, annual payment for your garden waste collections.
- When you get it in the post, stick your permit to the lid of your brown bin.

You can also sign up for an online account on our website to make things easier when you purchase your next permit in 2026.
